INFECTION, INFLAMMATION & MALIGNANCY

A GASTROINTESTINAL PERSPECTIVE

THURSDAY, MARCH 15, 2012

08:15-08:45

Welcome and Coffee

08:45-09:10

Greeting

Prof. Zamir Halpern, President IGA
Ms. Miri Ziv, Director IAC
Prof. Yossi Mekori, Dean, Faculty of Medicine, University of Tel Aviv
Dr. Eyran Halpern, Director RMC

AN INTERNATIONAL SYMPOSIUM

Organized by RMC and the section for GI malignancy, Israel Gastroenterological Association and Hepatology

Sponsored by Tel Aviv University, Clalit Health Services and Israel Cancer Association

Organizers – Prof. Yaron Niv, Prof. Gerald Fraser, Dr. Zohar Levi

Felsenstein Research Campus, Rabin Medical Center

FIRST SESSION

Chairpersons: Prof. Yaron Niv, Prof. Nadir Arber

CHRONIC INFLAMMATION AND GASTROINTESTINAL MALIGNANCY

- 09:10-09:30 Prof. Fred Konikoff, Meir Medical Center, Tel Aviv University
Sclerosing cholangitis and cholangiocarcinoma
- 09:30-09:50 Prof. Yehuda Chovers, Rambam Medical Center, Technion
Intraepithelial lymphocytes in premalignant states of the GI tract
- 09:50-10:10 Prof. Samuel B Ho, VAMC, UCSD
Hepatitis C and hepatocellular carcinoma
- 10:10-10:30 Dr. Britta Hardy, Felsenstein Research Campus, TAU
Induction of cell surface GRP78 on colon carcinoma cells reduces tumor growth and metastasis.
- 10:30-10:50 Prof. Nadir Arber, Souraski Medical Center, Tel Aviv University
CD24 a marker for colorectal cancer
- 10:50-11:10 Dr. Baruch Brenner, Rabin Medical Center, Tel Aviv University
miRNAs in inflammation and cancer
- 11:10-11:30 Dr. Haim Shmueli, Rabin Medical Center, Tel Aviv University
Helicobacter pylori and gastric cancer
- 11:30-12:00 **Coffee Break**

SECOND SESSION

Chairpersons: Prof. Rami Eliakim, Prof. Zamir Halpern

INFLAMMATORY BOWEL DISEASE AND COLORECTAL CANCER

- 12:00-12:20 Dr. Iris Dotan, Souraski Medical Center, Tel Aviv University
Inflammatory mediators and gastrointestinal malignancies
- 12:20-12:40 Prof. Gerry Fraser, Rabin Medical Center, Tel Aviv University
Colorectal cancer and IBD – epidemiology
- 12:40-13:00 Prof. Steve Itzkowitz, Mount Sinai Medical Center, NY
Diagnosis and management of dysplasia in ulcerative colitis
- 13:00-13:20 Prof. Christoph Gasche, Medical University Vienna
Is pharmacological prevention of colorectal cancer in IBD feasible?
- 13:20-13:40 Prof. Eyal Raz, UCSD | **TRPV1 in IBD and CRC**
- 13:40-13:50 Prof. Yaron Niv | **Closing remarks**
- 14:00-15:00 **Lunch**
