### Each individual Author must sign this form. Fulfillment of Authorship Criteria:

I certify that I fulfill the authorship criteria outlined in "Recommendations for the Conduct, Reporting, Editing, and Publication of Scholarly Work in Medical Journals" published by the International Committee of Medical Journal Editors (ICMJE; <http://www.icmje.org/>).

**Copyright Transfer:** I hereby transfer, assign, or otherwise convey all copyright ownership, in all languages and in all forms of media now or hereafter known, including but not limited to print and electronic media such as the Internet, to The Israel Psychiatry Association. (This statement does not apply to works created by USA federal employees in the course of their employment, as they cannot transfer copyright for content.) I grant the Israel Journal of Psychiatry the exclusive right, for the full term of copyright and any renewals/extensions thereof, both to reproduce and/or distribute my article (in whole or in part) ourselves throughout the world in printed, electronic or any other medium, and in turn to authorize others to do the same. (If I receive any direct requests for permission to use your article, I will contact the journal office if applicable.) I agree that that the Israel Journal of Psychiatry may post my article on the Israel Journal of Psychiatry website, on its own, or with other related material.

**Original Work:** I affirm that this work represents original material, has not been previously published, and is not under consideration for publication elsewhere. If it contains material that is someone else's copyright, I promise that I have obtained the unrestricted permission of the copyright owner (please attach evidence of this) and that the material is clearly identified and acknowledged within the text. I also promise that the article does not, to the best of my knowledge, contain anything that is libellous, illegal, or infringes anyone's copyright or other rights.

**Role of the Sponsor:** If this work had funding, support, or sponsorship, I certify that the role of the sponsor—or lack thereof—in the conduct and publication of this study is clearly identified in the manuscript under the heading "Role of the sponsor"

**Sources of Direct Funding, Support, or Sponsorship:** I certify that all sources of funding, other financial support, and material support for this work—or the lack thereof—are clearly identified in the manuscript under the heading "Funding/support" in compliance with the requirements of the "ICMJE Form for Disclosure of Potential Conflicts of Interest" (<http://www.icmje.org/>).

**Potential Conflicts of Interest:** I certify that either I have no potential conflicts of interest or all of my and my spouse/partner's personal financial relationships with relevant commercial and noncommercial interests, activities, and affiliations within the past 12 months such as employment, consultancies, grants or funding, honoraria, stock ownership and options, expert testimony, royalties, and patents are disclosed in the manuscript after the heading "Potential conflicts of interest" under my surname.

**Acknowledgment:** I certify that (1) all persons who have made substantial contributions to the work reported in this manuscript but who do not fulfill authorship criteria are named in the manuscript under the heading "Acknowledgment"; (2) for each acknowledged individual, the highest academic degree, affiliation, type of assistance, and a conflict of interest statement have been provided; and (3) these persons have provided me with written permission to be acknowledged.

**By signing below, I certify that I have read and fulfilled the terms in this section.**
