IGA
Fellowship 2018
Call for Applications

Dear IGA members,

The IGA is supporting various aspects of gastroenterology and hepatology research in order to bridge between research and clinical applications.

During 2018-2019 IGA will provide a 2-3 Fellowship Grants for our members.

Travelling abroad for a professional training for a period not less than 12 months.

The fellowship grant would be for the sum of 25000 NIS beginning December 2017

Eligibility:

- The applicant must be a member of the IGA.
- Applications are selected based on academic excellence and research proposal justifying the relevance of the professional training to their project as well as to the field of gastroenterology and hepatology
- Youngsters and women do have an advantage
- Applicants wishing to complete a fellowship in a field considered by the IGA as significant on a national level will have an advantage
- Applicants are required to return to Israel at the end of fellowship period, no later than after three years
- The application must be submitted electronically by **October 15 2017:**
